

Schueco UK COVID-19 Customer Update

3rd November 2020

In line with Government guidance on Saturday 31st October 2020, construction and manufacturing facilities will continue to be fully operational during this further period of lockdown which begins on Thursday 5th November 2020.

- We will continue to service your orders, technical queries and project support requirements as normal, through a combination of working from home and safe working onsite. Please contact us through the usual channels.
- We will continue to deliver your orders. Observing social distancing measures.

Please be aware that we have postponed the following services:

- All visits to Milton Keynes and London showrooms and offices.
- Collections from our Milton Keynes distribution centre.
- All training at Milton Keynes, or at your premises.
- All none-essential Technical engineer appointments.
- All none-essential customer visits.

We will continue to monitor the situation and amend our services to meet your needs, whilst protecting the health and safety of employees, customers, partners and the communities we operate in.

Best wishes and stay safe.
