

Schüco Premium Partner

Schüco appoints **TID Façade Joint Stock Company** as our Premium Partner and confirms that the Partner is committed to fulfill the following criteria as agreed in our co-operation framework:

- Offers full service, such as consulting, planning and fabrication in accordance with the Schüco philosophy.
- Works with Schüco machineries in their workshop and uses SchüCal+ for planning and calculation.
- Produces high quality aluminium products based on tested system solutions of the Schüco International KG.
- Is trained systematically to fabricate Schüco systems according to Schüco's standard technical documentation.

2017 - 2019
