

Aluminium-Glasrahmensysteme

Aluminium glazing frame systems

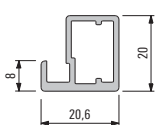

Klar durchdacht.

Aluminium-Glasrahmensysteme sind die idealen Fronten für eine elegante, moderne Anmutung. Besonders flexibel können sie als Klappe, Dreh-, Flügel- oder Schiebetür eingesetzt werden.

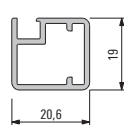

Well thought-out.

Aluminium glazing frame systems provide the ideal front for an elegant, modern look. With their outstanding flexibility, they can be used as a door leaf, or top-hung, side-hung and sliding door.
