

Lüftungsgitter

Ventilation grilles

Angenehm luftig.

Gute Lüftung in der Küche muss sein. Lüftungsgitter können aber auch optisch ansprechend sein und außerdem pflegeleicht und stabil. Verschiedene Gittergestaltungen stehen zur Auswahl. Die Montage erfolgt schnell und problemlos.

Pleasantly airy.

Good ventilation in the kitchen is a must. Ventilation grilles can also be visually striking, easy to maintain and robust. Various grille designs are available. Installation is quick and easy.

Vorteile	Benefits
